SPRING 2018 IDAHO FEDERATION OF NARFE CHAPTERS FEB - 2018-01

“Special Convention Issue”

The 55th Idaho Federation Convention will be April 4-6 at the Boise Wyndham Garden Boise Airport

“FEDERATION PRESIDENT - Keri Gibbs, Idaho Federation President

Dear Fellow NARFEans:

I hope you enjoyed a splendid Holiday season. Our NARFE headquarters (HQ) staff is already working hard at their jobs fighting for our benefits.

In December I was appointed to the Marketing and Member Resource Advisory Committee with members from CA, IA, TN and GA. We met for the first time at HQ with our appointed Regional VP and HQ representative. We are tasked with looking for solutions to long standing issues that all NARFE members have had. It is a daunting task and I am specifically interested in hearing your thoughts on how NARFE can help you better navigate your benefits and answer your questions. Our last annual Federation Convention will be in Boise April 4-6. After adopting new Federation Bylaws, which National Secretary Treasurer, Jon Dowie has pre-approved; we will have biennial Federation Conferences. I do hope you can join us for questions and answers to writing chapter bylaws, legislation, getting the most out of your federal benefits, membership and retention, and much more. National President, Dick Thissen is our guest speaker.

The state of our Federation is that we are growing in spite of closing chapters. This is due in most part to active members joining the National chapter #0000. It broke my heart to close our Boise chapter #0083 last year, but the Nampa chapter is enjoying a good turnout from Boise members. We are also very pleased to have been contacted by civil service employees at Mountain Home Airforce Base. We look forward to welcoming them to NARFE. Their first question was why haven't you previously contacted us? I responded that I didn't know they existed. This is just one of the many dilemmas that we face in recruiting new members.

Thank you for your service and dedication.

IDAHO NARFE TREASURER, Bob Conquergood

Treasurer reports are sent monthly to Chapters & Officers. Any questions should be directed to me. Our political impact & funding depends on Membership, let us do our part. Our current balance is \$19548.74; which is nearly \$1500 less than last year. The 2018 Dues Request Letter will be sent to the Chapters early in February.

IDAHO NARFE-PAC CHAIR, RuthAnn Smith

Do you realize that we are less than ten months from the 2018 mid-term Congressional elections? This means that campaign fundraising is underway in earnest with 34 senatorial seats and all 435 House positions up for election, including Idaho's first district seat where the incumbent is not running for re-election. Congressional candidates are already seeking political endorsements and soliciting campaign funds from individuals and organizations. What has NARFE-PAC been doing for this election cycle?

Ambitious goals have been established for NARFE-PAC in an effort to grow our political influence. NARFE-PAC is used to strengthen relationships with lawmakers, both in the nation's capital with the NARFE national legislative staff and at the local level with NARFE chapters, and to help members of Congress who are supportive of the federal community by disbursing money to their campaigns. The first year of the current cycle focused on building strong relationships with lawmakers, while this year the fund has been and will continue to provide funding to help friendly candidates with their campaigns.

The national goals set for the current cycle include the following:

- Raise \$1.5 million in member contributions (\$818,430.33 as of October 2017);
- Disburse \$1 million for political purposes (\$301,000 as of October 2017);
- Send NARFE members to 100 in-district fund raising events (35 as of October 2017); and
- Increase monthly contributors (sustainers) by 50 percent (22% as of October 2017).

The National Office has challenged chapters and federations to take steps to increase their contribution levels to NARFE-PAC. Actions by the Idaho Federation should be aimed at increasing, say by a minimum of 10%, the amount of money raised, the number of active contributors making donations (including encouraging contributions from new donors), and the number of sustainers who contribute monthly. The month of March is always used to publicize and promote NARFE-PAC fund raising at chapter meetings; this focus continues throughout the spring with additional emphasis provided at federation conventions.

Here are several suggestions on how to promote and increase member knowledge of and contributions to NARFE-PAC.

- Make an appeal for NARFE-PAC at every chapter or federation meeting (a word of caution: do not over do such promotions, such as when other appropriate NARFE-related fund requests are being made at meetings and in chapter newsletters)
- Focus on sustainers by explaining to your members how easy it is to do a one-time credit card sign-up is all that is needed for a minimum \$10 per month contribution to be automatically processed
- Ask each member who regularly attends chapter meetings to reach out to others they know who cannot attend to consider the importance of NARFE-PAC and to make a contribution
- Make contribution appeals timely by using current events to create urgency around your fund raising, such as an upcoming vote with federal benefit implications or an article by local congressional member on issues important to NARFE members

Here are the contribution levels from Idaho Federation members that can be used as a basis for determining what chapter goals can be established for NARFE-PAC contributions during the balance of this election cycle:

Total contributions for the last complete election cycle reported (1/1/2015 to 12/31/2016):

Here is the cumulative data thus far for the current election cycle (lasted report 1/1/2017-9/30/2017 which equals 3/8 of this cycle):

NARFE members are facing serious threats to their earned pay and benefits in this Congress. That is why it is so important that NARFE-PAC is properly funded so early disbursements can be made to key legislators and to provide funds to the campaigns of candidates who support our goals and objectives. So please consider making a new contribution to the fund and encouraging other NARFE members to do the same.

FEDERATION ALZHEIMER COORDINATOR, Gen Boguslawski

NARFE contributions to Alzheimer's Research are now \$12,528,220.93 as of 12/31/17. Our members raised a total of \$46,479.06 for the month of December 2017, which was DOWN \$28,137.58 from December 2016. We now need \$471,779 (about \$39,315 per month) to meet our goal of \$13 Million by end of 2018. Please read the Alzheimer's News Article in the December issue of our NARFE Magazine, Olivia Williams, NARFE Alzheimer's Chair, informs us about the NARFE Research Grants that were awarded in August 2017.

IMPORTANT WARNING: Do NOT give any donations to Alzheimer's Disease Fund (A Program of Project Cure, Inc.). It looks like you are donating to "2018 Meridian Area, Annual Fund Voluntary Donation Amount," you are not. "Be Wary of Project Cure" by Stephen Barrett, M.D. states that "Well-run charities typically spend at least 75% of their funds for public benefit, and some use over 95% for this purpose. Florida-based Project Cure, Inc., does not -- and should not be considered a charity." "The California Attorney General reported that in 1998 and 1999, only about 13% of Project

Cure's funds had been used for charitable purposes. In June 2013, the Tampa Bay Times placed Project Cure as #15 in its list of the 50 worst charities in America".

The Project Cure request says, "Although Project Cure Inc. is recognized as a nonprofit organization by the IRS because of its IRS classification as a 501(c) 4, donations are not tax deductible as charitable contributions for federal income tax purposes". ALL of our contributions to NARFE-Alzheimer's Research are not only used 100% for research, but are also tax deductible!!

Our ID Alzheimer's contributions from 6/01/17 thru 1/31/18 are:

Boise #83 - \$179.00 (Upon closure they gave \$500 thru Nampa #1025)
Coeur d'Alene #218 - \$100
Moscow #992 - \$830
Nampa #1025 - \$2,238.25 (This includes the \$500 from Boise members)
Twin Falls #1959 - \$91.18
ID TOTAL - \$3,438.43

FEDERATION SERVICE OFFICER NEWS, Richard Ryan and Chap. 1025 Service Officer

I'dl make this short. Remember that about 50% of surviving spouses never worked for the government and notifying the Office of Personnel Management of a death or even how to apply for benefits is totally foreign to them; not to mention that unfortunately some have lost their ability to remember. I still remember the widow I helped, at her place, by filling out a letter of notification to the Office of Personnel Management for her, explained it as best I could and put it in an envelope that I had addressed and stamped and personally took it to the post office and mailed. Be there for them. And let them know you are there for them. And let your members know it is important to hang onto their membership so that you can be there for them.

NAMPA CHAPTER #1025 REPORT, Joanne Hancock, President

It's official, 200 former Boise Chapter #083 members are now members of Nampa Golden Eagles Chapter #1025 bringing our total membership to 336. Our meeting attendance has been approximately 25-30 members, but this last month over 43 members attended. For our 2017 community Christmas Project chapter members donated over \$400.00 to a local Children's Cystic Fibrosis facility. For our February meeting, we asked each member to bring Valentines already signed and sealed thanking the soldiers at the Idaho Veterans State Home for their service and wishing them a nice Valentine's Day.

IDAHO FALLS CHAPTER 0763 REPORT, Harold Kehr, President

Membership: We made a concerted effort to get our member roster in order. We now believe we have everyone categorized correctly. We have recognized our 58 distinguished members (34 have been sent their certificates and the other 24 have been sent letters to get their correct address. We sent a survey to all members and will be tallying the results in the near future. Our push after March will be to recruit.

Speakers: We had speakers from the local electronic newspaper and on estate planning at our meeting. Plans are for a visit to an Assisted Living Facility and a financial planner.

Bylaws: We contacted all our members to vote on Federation Bylaws. After the Federation bylaws are approved we will continue our Chapter bylaw process.

Health Fair: The health fair is not what it used to be. We were 1 of only 5 Booths and it lasted only 2 hours. Results were positive however.

Officers: We are happy to report that all our officer and chair positions are filled thanks to members filling multiple positions.

Twin Falls CHAPTER 1959 NEWS, Janine Chapman President

The Twin Falls NARFE Chapter 1959 is still quite active and well. We meet every second Monday of every month from August through May. From August through January we have had the following speakers: Ken Barr, NARFE's SE Vice President, Eli Bowls the local college CSI's renewable energy instructor, Linda Culver the Regional Manager of Mike Simpson's office, the Twin Falls Airport's Manager Bill Carberry, and Attorney Dennis Voorhees our local Elderly law attorney. We have interesting and orderly meetings with input from all attending. We have acquired 5 new members to our local group and hope to obtain more. We are planning on 5 of our members attending the Idaho State Convention. Hope to see you there.

Coeur d'Alene CHAPTER 218, Bob Conquergood

Attendance at our chapter meetings has been very low but this January we had one additional member come to our meeting and we expect three other members to return to the flock once medical issues allow. In December we participated, as usual, in providing Christmas gifts for children involved with CASA as well as joining the retired school teachers at the Post Falls Senior Center for their annual Christmas gathering.
